

In Touch, In Tune

Bassett High School Bands

Dear Bassett High School Band Fans,

The end of the school year is a time that is very busy for most classrooms and our band class/program is no exception. As we say goodbye to our seniors I reflect on how much they have grown over the last four years. Our band will miss their talent and we wish each one of them good luck in their life adventures and invite them back to visit any time.

We are currently welcoming any new member who may have an interest in our marching band program. Our Pride of the Riverside Marching Band is open to 8th through 12th grade and our Band of Distinction is open to 9th through 12th grade. You can contact me for additional information or questions.

Enjoy your summer!

Sincerely,
Trey Harris, Band Director
