Having a great band requires not only hard work from the students, but a great deal of support from the parents. Your children and the Booster Club ask that you PLEASE!!!! help us as much as possible and with as many of the activities as you can, all of which are required to keep our band one of the best high school bands there is. It is realized that some can help a lot and some can help a little, but please do help and as often as you can. If you are willing to help when you can with some of the more important activities listed below, we ask that you check beside the activity. THANK YOU for helping our kids!!!! It will be a rewarding experience for you. If you have any questions about any of these, please see any Booster Board member or Mr. Harris.
