

Student/Parent Agreement Form

2017 BHS Marching Band (PRIDE and Band of Distinction)

It is very important to any band or team to have a high level of commitment to the program. The following is an agreement between the parent/student and the organization pertaining to the rules and regulations stated in the 2017-2018 Band Handbook as well as the commitment that the student is expected to uphold throughout the season with the Bassett High School Marching Band as stated on this page.

Rehearsals

All rehearsals are *mandatory*. We will excuse extreme illness or a death in the family. If you leave school early because you are sick, a director (not student) should be notified in person or by placing a note in the director's mailbox in the front office. After school detention is NOT an excused absence! Any missed rehearsal is grounds for losing your spot to a shadow or even dismissal from the program. This is at the discretion of the staff and directors.

Performances

All performances are MANDATORY! These include but are not limited to: Football Games (includes playoff games), Competitions, Christmas Parade(s), and any other local event, chosen by the director to represent our school and community.

Band Payments

All students are expected to pay or earn their share of the marching band payment on time. We do realize that there may be some circumstances that are out of your control as the season progresses. If this occurs, the director, president of the boosters or the treasurer must be notified as soon as possible. Missing payment after payment without notification will not be excused. If this problem occurs, the directors' reserve the right to replace a student with a shadow.

Class Requirement

All wind/percussion players are required to take 2nd semester band. Marching Band will NOT meet 1st semester as a class except for the color guard. All freshmen will take band 2 semesters. Middle School members of PRIDE will take a full year of band at FCMS.

By signing below, I understand the commitment level that is expected in the BHS Band program, and I have read and agree to all of the rules and requirements of the Bassett High School Band Handbook.
